## *Revised Agenda*

### Submittal of Written Material for Regional Board Consideration

*To ensure that the Regional Board Members are given the opportunity to fully study and consider written material, it is necessary that 12 copies of any such material be provided to the Executive Officer not later than five (5) days before the meeting (unless otherwise specified for an agenda item in this notice). This will allow distribution of the material to the Board Members and appropriate staff in advance of the meeting.*

*The parties to Item 10 had a comment submittal deadline of July 24, 2003. The parties to Item 11 must submit any written comments or exhibits to the Executive Officer no later than July 31, 2003. Failure to comply with these requirements is grounds for the Board to refuse to admit the proposed written comment or exhibit into evidence. (Title 23, CCR, Section 648.4) The Regional Board may refuse to admit written testimony into evidence unless the proponent can demonstrate why he or she was unable to submit the material on time or that compliance with the deadline would otherwise create a hardship. If any other party demonstrates prejudice resulting from admission of the written testimony, the Regional Board may refuse to admit it.*

*If you are reading a statement at the Board meeting, please provide the Executive Assistant with a copy at the meeting. The Board will endeavor to consider all matters listed on this agenda. However, time may not allow the Board to hear all matters listed. Matters not heard at this meeting may be carried over to the next Board meeting or to a future Board meeting. Parties will be notified in writing of the rescheduling of their item. Please contact the Regional Board staff to find out about rescheduled items.*
